

Blackstar Campaign Notes

Notes from the Blackstar Pathfinder2e Campaign. These notes are an Obsidian notebook that is hosted in Github. If you would like to have your own copy of the notes, follow the below instructions:

1. Clone the Github repository [here](#)
2. Download Obsidian [here](#)
3. Unzip the downloaded repository and open it as a "Vault" using [these](#) instructions

I plan to eventually host these notes as a wiki but this is the best way for me to take campaign notes for now. Please feel free to fork my repo and create a pull request to contribute!
